## **A NOBLE IDEA... A FERVENT DESIRE TO HELP...**

It was in early 2005 that the first spark of zeal to help poor but deserving students was kindled within a small group of Batch '81 alumni of Pasay City West High School. A simple noble idea at first, which was warmly received and pursued by the group, and through the wonder of modern communication, enthusiasm for it spread like wildfire among alumni in the Philippines and abroad. Now, the need to help poor but deserving students has become a compelling call.

## **HANDOG-ARAL INC. IS BORN!**

Armed only with commitment from zealous members of the alumni, who are a pool of talented and competent professionals serving in various industries and businesses here and abroad, a unanimous decision to form a duly registered organization was reached. On June 20, 2005, Handog-Aral, Inc. (HAI) was incorporated and began to exist as a duly registered non-profit organization.

## **MISSION**

It is the mission of HAI to make a difference in the future of selected PCWHS students who wish to pursue college education but are financially constrained to do so, by providing them with financial aid through a scholarship program.

## **VISION**

HAI shall evolve into a stable scholarship foundation that is capable of supporting numerous scholars to various fields.

## **MEMBERSHIP**

HAI is open to anybody who shares and contributes in fulfilling the mission and in realizing the vision of the organization.

## **FUNDS**

HAI's funds come from voluntary contributions of its members as well as from generous donors and friends. Other fund-generating ventures are also being pursued to increase the financial capability of the organization.
